Reading is a wonderful way to spend some relaxing time together during these long summer days. Nearly all of the books suggested below are meant to be read by the parent to the child. Select at least three of the following books to read (\*choose one book from the Judaic booklist). An activity related to the books you read will be assigned during the first week of school. Enjoy!

Bang, Molly - *The Paper Crane*  
Brothers Grimm - *The Bremen Town Musicians*  
Brown, Jeff - *Flat Stanley*
